

CONSENT FOR TAKING AND USING PHOTOS AND VIDEOS IN SCHOOL

Dear Parent/Carer

Why are we asking for consent again?

When your child started at Highfurlong School, you will have completed a permission slip for photographs. To ensure we are meeting the new data protection requirements, we need to re-seek your consent to take and use photos/videos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again. The photographs will be kept in school and stored in electronic form or photo image.

Photos that are taken may be used in the school's prospectus, on the school's website, on display boards around school, on the school's Facebook and Twitter accounts and occasionally for publicity purposes e.g. the press.

We would like consent to take photos of your child, and to use them in the ways described above. If you are not happy for us to do this that is no problem- we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to the school.

I agree to the school taking photographs/videos of my child.

I agree to photos/videos of my child being used on the school website and social media

I agree to photos of my child being displayed on SeeSaw and other school assessment apps

I agree to photos of my child being used in the school prospectus. (for up to 3 years after leaving)

I agree to photos/videos of my child being used on internal displays.

I agree to photos of my child being used for publicity photos - e.g. Evening Gazette

I **DO NOT** agree for the school to take or use photos or videos of my child.

If you change your mind at any time, you can let us know by emailing admin@highfurlong.blackpool.sch.uk, or contacting on school on 01253 392188. If you have any other questions, please get in touch.
